Sanctions

It is necessary to have sanctions so as to make the particular child and others aware that certain behaviour is unacceptable. Sanctions are also in place to protect the safety of all members of the club, and the authority of the leader and helpers, should that be threatened. Bullying of any sort will not be tolerated.

In Moneynick sanctions may include:

- time out
- referral to the Principal
- parental consultation

- Children are expected to show respect for others at all times
- Children must move safely around the premises – no running
- Children must promptly obey instructions from club leaders and helpers
- Children should remember their manners at all times
- **Bullying will be regarded as severe indiscipline and will not be tolerated**
