May 2020

Dear Parents, pupils and staff

As we begin the Month of May we display our love and devotion to Mary our Mother through prayer. Create a May altar at home. Visit the Home Learning pages for prayers, resources and activities to complement teaching our children about Mary.

Pope Francis has made a special plea to the faithful to recite the prayer of the Rosary during this month traditionally dedicated to Mary. The restrictions of the pandemic have made us come to appreciate our 'families' more and more. The Rosary is a family prayer. Let us pray as a school family.

Our Lady of Knock pray for us

Friends of Moneynick

Boys and Girls! After the big win this month, a well-deserved treat is coming your way as soon as we return to school. Friends of Moneynick will continue to record and post the winners on our school website www.moneynickps.com

The Moneynick Litter Pick

Exercising at home encourages walking along the roads and lanes of our local community. It has been noted by many the amount of rubbish that litters our beautiful countryside. Teamed with Tidal Toome, Cargin GAC and Antrim Borough Council we are encouraging a litter pick with a difference. The litter pickers are available from the Tidal Office in Toome House from 7am - 8:30pm daily for the coming week. They are to be signed out and signed in when they are returned. Social distancing is a key factor, so the litter pick is your own responsibility completed by your family. Bags can be returned to a skip in the Cargin Club carpark. Please remember to wear gloves to protect your hands. Road Safety is also a vital aspect of this activity.

Boys and Girls, our school staff miss you dearly and can't wait until we are all back safely in Moneynick.

God Bless and Keep Safe!

MONEYNICK BAKE OFF CHALLENGE

PICTOCOLLAGES

Lots of shapes around my house.

We LOVE your photos! Make sure to keep sending them to info@moneynickps.randalstown.ni.sch.uk And view them in our home learning gallery at moneynickps.com
