

Improving the situation outside school gates for parents to social distance – 16/9/20

- Yellow lines for these classes

Mrs Fry

Mrs Wall

Mr Manley

- Blue lines for these classes

Mrs Jones

Mrs Reynolds / Mrs DeClaire

- Only start queuing on the lines at the time allocated for your child's class
- Use the pavement on the other side of the road as a waiting zone to keep the pavement as clear as possible.
- If you see a gathering avoid that area by using the pavement across the road.
- Face coverings will help everyone where social distancing is difficult.

Please be aware that some of our pupils were shielding until a few weeks ago and we still need to protect them so social distancing is very important.

We also have children at school who are still very concerned and anxious about the spread of coronavirus.

We are working hard to keep all the children safe, so if you could help us with this outside the school also, it will have a positive impact on these children also. If they see adults keeping safe it will reassure them.
