Grants– Additional funding approx. £17,000

We have been very fortunate in recent weeks and the school has bid successfully for three grants to support all our learners. I am sure the children will be excited to talk about their new resources and environment in the coming weeks. Look out for the new sensory and learning provision playhouse in the Little School yard, new outdoor learning shelter for KS2 and the wonderful resources that we have been able to buy for indoor and outdoor learning.

Crossing Patrol

Our LA are diligently trying to recruit a new crossing patrol officer for our school. After a successful appointment the job was then turned down. They have once again advertised the position– please be carefully coming to and leaving school when crossing the roads.

Family Learning Group

We are very proud of our families who are engaging in our family learning group in Wesley Chapel each week. It's wonderful to have established working together as a community.

*Thank you once again for the support,
Miss M Woodhiam*
