An evening to celebrate the on-going community support we receive and to collaborate with new opportunities to create a new vision to inspire a new generation. If you work for a local business or charity, feel free to join us at 6pm.

Mrs Palmer had a very successful neighbourly love evening just before half term. A huge thank you to our neighbours and friends that gave us some valuable information and support. We aim to make our school relationships stronger each term. Please look out for our next meeting.
