Free School Meals/School Uniform/Physical Education Uniform Allowance 2022-23

I would like to provide you with an update on the 2022/23 application process for Free School Meals and School Uniform/Physical Education Clothing Allowance.

The Education Authority (EA) will be issuing communications on the EA website and social media channels to inform parents/guardians of the process for the coming year. We continue to seek your support to promote awareness of Free School Meals and Uniform Allowance, and to encourage all potential applicants to apply for the support available, before 31 July to ensure all is in place for the new school year in September 2022.

Current Eligible Families and New Applicants

Parents/guardians who are currently in receipt of support for the 2021/22 school year will receive a letter highlighting the need to apply for the 2022/23 school year and the process to do so. All parents/guardians (including new applicants) will be able to **apply online from week commencing 6 June 2022 via the EA [website](#)**.

It is important for all applicants to read and understand what supporting documentation is required for their application. Information on this can be found on the EA website [here](#).

Special Diet

Parents/Guardians whose child has a Statement of Special Educational Needs (Stage 5) and requires a special diet should contact the Meals and Uniform Section for a paper application form if they wish to apply under the special diet criterion.

Pupils Eligible for Free School Meals

The first full list of pupils eligible for free school meals will be sent to you at the end of August 2022 via AnyComms (or by post/email to schools and colleges who do not use SIMS). Weekly updates will be sent each Friday and further full lists sent on the following Monday. **Can you please check the lists and inform the EA Meals and Uniform Section immediately if a pupil/student has not enrolled for the 2022/23 school year or is no longer in attendance during the year.**
