

# Vitaliy's Shoebox

After many months living under occupation in Melitopol, Ukraine, with very little to eat or drink, Vitaliy fled his home with his mother

sister, after their neighbours were killed. They left everything behind, including their toys, and travelled for over 18 hours.

While living in another part of Ukraine, they were able to receive Operation Christmas Child shoebox gifts at a local church. Vitaliy had been playing with his Lego and to his delight, he found a new Lego set inside his shoebox!

For this special family, their shoebox gifts were a tangible expression of God's love and a reminder of the eternal hope offered through God's greatest Gift – Jesus.

**"Millions of children around the world**

are being impacted by these simple shoebox gifts. One box can touch not only just

one child, but their whole family. So, keep packing shoebox gifts! Thank you, and God bless you."
