

Dear Parents,

The school has been registered to participate in the 'Cashpot for Schools' initiative. To help us raise as much as possible for the school we need as many people as possible to register.

It will not cost you any extra to participate. Asda will add 0.5% of the cost of your total shop into the school's cashpot.

We would be very grateful if you could encourage as many people as possible to add our school as their chosen school.

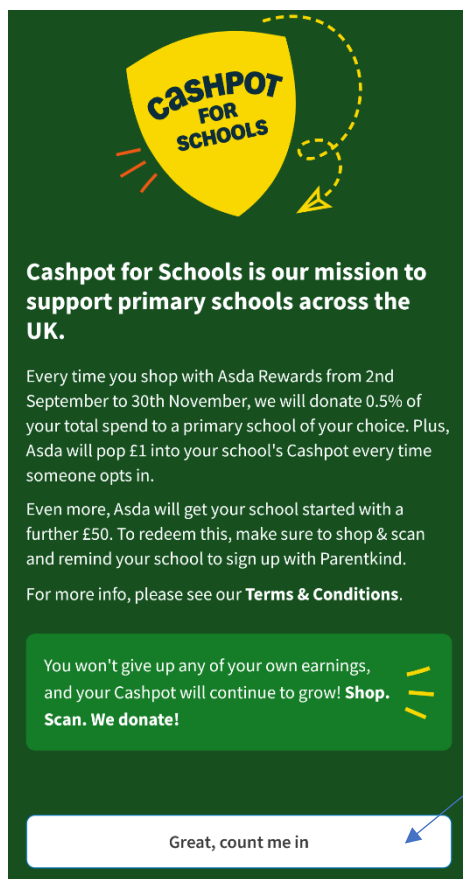

I have included instructions below about how to register.

Kind Regards

Mrs Copeland
