

## What We Do @Fun 4U Club. March/April 2021

March thankfully has brought us all some happy celebrations which we could be doing with! The children made Mother's Day gifts and cards and we hope all our Mummies and Grandma's we dutifully spoil as well as those who fulfil a mother's role for whatever reason within their household.

We also held a St. Patrick's Day party for everyone with hot dogs buns rainbow popcorn and gold coins which we all hoped to find at the end of our rainbows. We also sent home party bags with each child attending that day as it has been so long since the children have been able to attend a party. Let's hope the weather will start improving now that we are in spring time.

Emma Graham – Acting Deputy Leader Armagh.

Emma will have completed her role as acting Leader by the end of this month which has been part of her training completing her Level 5 Child Care and Learning Development. Emma hopes to graduate from her course by the end of the school term in June. We wish her every success in this as she is a valued member of staff in our team.

This month our Play Type is

## **Rough & Tumble.**

This is commonly misunderstood as it is less to do with fighting and more to do with physical touch that allows the child to test their own strength and gage others. It encourages children to experience the feeling of exhilaration and physical flexibility without outing the child in obvious danger. For example fast paced chasing games, playful fighting & even wrestling in which the children display fun and laughter. This type of play is all about learning our body's boundaries and exploring how we grow and develop to achieve new skills physically.

We are so glad to see all the children back to school and club you have all been missed very much and we know your friends have missed you so much as well. Let's hope this is for the rest of the school year so that we can all have lots of fun together.

**Easter Scheme opens on the 29<sup>th</sup> March, we open each morning from 8.15am and close at 6pm each day. We will have lots of Easter art, crafts, games and outdoor fun.**

**Children will still need a coat each day and sturdy footwear as we will be outside a lot PLEASE SEND A PACKED LUNCH EACH DAY.**

**\*\*WE ARE CLOSED GOOD FRIDAY AND EASTER MON/TUES\*\***

After Easter we shall be releasing our SUMMER SCHEME schedule for booking.

We are all very excited about it as last year was the first year we didn't have one since opening. Our staff have been working away behind the scene on plans for the children using topics picked and voted on by the children over the past year. So as they say "WATCH THIS SPACE"

During the month of April we shall be looking at and reviewing our snack menus in both facilities. We will be trying some new tastes and combinations of food not just seasonal introductions but also ways we can deliver snack keeping within COVID 19 regulations but how it can flow more freely alongside our play time. We hope this month that we will be able to return to some picnic snacks outside as well. We shall upload our new menu for everyone to see once completed and reviewed by the children and even though they keep asking I'm sorry but Pizza isn't going to be a weekly item! We will still be honouring our healthy eating goal.

**We set up a campsite and cooked our dinner!**

Our Easter Egg Hunt around the grounds with puzzles to solve and help each other to find them.

**[Summer Scheme 2021 coming soon so watch this space for more information and booking forms.](#)**

Children finishing Nursery School this September can attend our facility from 1<sup>st</sup> July 2021.

**Please continue sending a change of clothes for your children as we are still working under Covid 19 guidance and children are creating a new play bubble when entering FUN 4U CLUB each session.**
