Fun 4U Club at Edenderry PS.

Fun 4U Club have an independent unit within the school grounds, and we are registered with Southern Health and Social Care Trust, who conduct yearly themed detailed inspections as well as ongoing spot inspections. Fun 4U Club are members of Playboard who focus on the importance of outdoor and physical play, which we do every day unless the weather is very poor. (Constant rain/severe frost) As part of our play we use all of the outdoor areas within the school grounds including the gardens and fixed installation equipment.

Fun 4U Club is inspected by Environmental Health Department and we received a 5 star rating for food hygiene.

Snack Time

We follow a healthy eating policy in terms of the variety of snacks offered to the children. We will also take into consideration any food allergies. Our menu is displayed in the hall way of the facility each week for parents to read.

Homework

We will accommodate homework time for up to 30 minutes (strictly) each afternoon. Staff will supervise and help where required but will not be able to sign any homework sheets and we do not accept responsibility for correcting any mistakes. We therefore expect parents to check any homework their child may have done during after school club.

Full time during our Summer Scheme

We operate from 8.15am to 6pm daily, we will provide morning and afternoon snacks, but your child must bring a packed lunch. We will have a wide variety of activities and weekly themes on over the summer, all the details released after Easter Break.

A registered facility enables eligible working parents to receive assistance with fees via HMRC. Working Family Tax Credits.

We also accept Child Care Vouchers from all schemes. Child Care Vouchers are NOT means tested and BOTH working
