

## HOLY TRINITY N.S., FETHARD, CO. TIPPERARY

1. In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of Holy Trinity national school has adopted the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the Anti-Bullying Procedures for Primary and Post-Primary Schools which were published in September 2013.

### **Key Principles:**

2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following **key principles of best practice** in preventing and tackling bullying behaviour:

#### **(a) A positive school culture and climate which**

- is welcoming of difference and diversity and is based on inclusivity;
- encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
- promotes respectful relationships across the school community

#### **(b) Effective leadership**

#### **(c) A school-wide approach**

#### **(d) A shared understanding of what bullying is and its impact**

#### **(e) Implementation of education and prevention strategies (including awareness raising measures) that-**

- build empathy, respect and resilience in pupils; and
- explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying;
- effective supervision and monitoring of pupils;

#### **(f) Effective supervision and monitoring of pupils**

#### **(g) Supports for staff**

**(h) Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and**

**(i) On-going evaluation of the effectiveness of the anti-bullying policy.**

**We in Holy Trinity NS view bullying as an unacceptable behaviour that will not be tolerated in our school.**

**We encourage all pupils to support each other by reporting all instances of bullying.**

**All reports of bullying in our school will be investigated and dealt with sympathetically.**

**Definitions:**

3. In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*.

4. Role of School Personnel:

Section 6.8 of the Anti-Bullying Procedures for Primary and Post Primary Schools recommends that the relevant teacher(s) for investigating and dealing with bullying in Primary School is/are the class teacher(s)

The relevant teacher(s) for investigating and dealing with bullying is (are) as follows:

The Relevant Teachers in this school are:

Holy Trinity National School

Principal – Mrs. Triona Morrisson

Deputy Principal – Mrs. Aisling Fanning

All class teachers

**Any teacher may act as a relevant teacher if circumstances warrant it.**

5. The education and prevention strategies (including strategies specifically aimed at cyber-bullying, homophobic and transphobic bullying) that will be used by the school are as follows

#### Education and prevention strategies

##### School-wide approach

- A school-wide approach to the fostering of respect for all members of the school community.
- The promotion of the value of diversity to address issues of prejudice and stereotyping, and highlight the unacceptability of bullying behaviour.
- The fostering and enhancing of the self-esteem of all our pupils through both curricular and extracurricular activities. Pupils will be provided with opportunities to develop a positive sense of self-worth through formal and informal interactions.
- Whole staff professional development on bullying to ensure that all staff develops an awareness of what bullying is, how it impacts on pupils' lives and the need to respond to it- prevention and intervention.
- Professional development with specific focus on the training of the relevant teacher(s)
- School wide awareness raising and training on all aspects of bullying, to include pupils, parent(s)/guardian(s) and the wider school community.
- Supervision and monitoring of classrooms, corridors, school grounds, school tours and extra-curricular activities. Non-teaching and ancillary staff will be encouraged to be vigilant and report issues to relevant teachers. Supervision will also apply to monitoring student use of communication technology within the school.
- Involvement of the student council in contributing to a safe school environment e.g. Buddy system, mentoring, Lunchtime Pals and other student support activities that can help to support pupils and encourage a culture of peer respect and support.
- Development and promotion of an Anti-Bullying code for the school-to be included in student journals and displayed publicly in classrooms and in common areas of the school.
- The school's anti-bullying policy is discussed with pupils and all parent(s)/guardian(s) are given a copy as part of the Code of Behaviour of the school (every year).
- The implementation of regular (e.g. per year/per term/per month/per week) whole school awareness measures e.g. a dedicated notice board in the school and classrooms on the promotion of friendship, and bullying prevention; annual Friendship Week and parent(s)/guardian(s) seminars; annual or term or monthly student surveys; regular school or year group assemblies by principal, deputy principal, year heads etc.
- Encourage a culture of telling, with particular emphasis on the importance of bystanders. In that way pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly.
- Ensuring that pupils know who to tell and how to tell, e.g.:
  - Direct approach to teacher at an appropriate time, for example after class.
  - Hand note up with homework.
  - Make a phone call to the school or to a trusted teacher in the school.
  - Get a parent(s)/guardian(s) or friend to tell on your behalf.
  - Administer a confidential questionnaire once a term to all pupils.
  - Ensure bystanders understand the importance of telling if they witness or know that bullying is taking place.
- Identify clear protocols to encourage parent(s)/guardian(s) to approach the school if they suspect that their child is being bullied. The protocol should be developed in consultation with parents.

- The development of an Acceptable Use Policy in the school to include the necessary steps to ensure that the access to technology within the school is strictly monitored, as is the pupils' use of mobile phones.

#### **Implementation of curricula**

- The full implementation of the SPHE curriculum and the RSE and Stay Safe Programmes.
- Continuous Professional Development for staff in delivering these programmes.
- School wide delivery of lessons on bullying from evidence based programmes, e.g. Stay Safe Programme, The Walk Tall Programme
- Delivery of the Garda SPHE Programmes at primary level. These lessons, delivered by Community Gardai, cover issues around personal safety and cyber-bullying
- The school will specifically consider the additional needs of SEN pupils with regard to programme implementation and the development of skills and strategies to enable all pupils to respond appropriately.
- The school will implement the advice in "Sexual Orientation advice for schools" (RSE Primary, see booklet).

#### **Links to other policies**

- These are the school policies, practices and activities that are particularly relevant to bullying, e.g. Code of Behaviour, Child Protections policy, Supervision of pupils, Acceptable Use policy, Attendance, Sporting activities.

6. The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows (see Section 6.8 of the Anti-Bullying Procedures for Primary and Post-Primary Schools):

## **6.8.9. Procedures for Investigating and Dealing with Bullying**

**This school uses the approach advocated in the Anti-Bullying Campaign programme for primary school.**

**It operates in two parts:**

- 1. Tools for Raising Awareness**
- 2. Resolving possible Bullying Situations and Restoring Relationships without apportioning Blame**

**The primary aim in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame);**

### **Reporting bullying behaviour**

- Any pupil or parent(s)/guardian(s) may bring a bullying incident to any teacher in the school.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher.
- Teaching and non-teaching staff such as secretaries, special needs assistants (SNAs), bus escorts, caretakers, cleaners must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher;

### **Investigating and dealing with incidents: Anti-bullying Campaign Programme Approach**

1. If a report of possible bullying is received and Incident Report Form is completed by the relevant teacher.
2. An Action Report Form is also completed to detail the response to the report of possible bullying.
3. To establish the facts a **Class Survey** or **Incident Related Survey Sheets** will be used.
4. Only if necessary will an Incident Observer Form be used for identified witnesses to bullying incidents.
5. Alleged perpetrators will be interviewed using an interview form and a Bullying Behaviour checklist will be used.
6. The perpetrator will be asked to compete and honour a simple Pupil Promise. For more serious bullying (or a less serious but repeat offence) a Pupil and Parent Promise will be used.
7. If bullying was class wide, the class will be asked to complete and sign a 'Joining-In' Promise.
8. The Action Taken form will be completed and sometime later, when appropriate, the targeted pupil will be asked to complete an Impact Statement form.

### **Additional Information:**

- In investigating and dealing with bullying, the (relevant)teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved;
- Parent(s)/guardian(s) and pupils are required to co-operate and assist the school in resolving

any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;

- Teachers should take a calm, unemotional problem-solving approach.
- Where possible incidents should be investigated outside the classroom situation to ensure the privacy of all involved;
- All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way;
- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;
- If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements;
- Each member of a group should be supported through the possible pressures that may face them from the other members of the group after the interview by the teacher;  
It may also be appropriate or helpful to ask those involved to write down their account of the incident(s)
- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parent(s)/guardian(s) and the school;

#### **Follow up and recording**

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her professional judgement, take the following factors into account:
  - Whether the bullying behaviour has ceased;
  - Whether any issues between the parties have been resolved as far as is practicable;
  - Whether the relationships between the parties have been restored as far as is practicable;
  - Any feedback received from the parties involved, their parent(s)/guardian(s) or the school Principal or Deputy Principal
- Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) must be referred, as appropriate, to the school's complaints procedures.
- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Pupils.

#### **Recording of bullying behaviour**

It is imperative that all recording of bullying incidents must be done in an objective and factual manner.

The school's procedures for noting and reporting bullying behaviour are as follows:

#### **Informal- pre-determination that bullying has occurred**

- All staff must keep a written record of any incidents witnessed by them or notified to them. All incidents must be reported to the relevant teacher
- While all reports, including anonymous reports of bullying must be investigated and dealt with by the relevant teacher, the relevant teacher must keep a written record of the reports, the actions taken and any discussions with those involved regarding same
- The relevant teacher must inform the principal of all incidents being investigated.

#### **Informal-determination that bullying has occurred**

- If it is established by the relevant teacher that bullying has occurred, the relevant teacher must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as is practicable, the relationships of the parties involved.
- The school in consultation with the relevant teacher/s should develop a protocol for the storage of all records retained by the relevant teacher.

#### **Formal-Appendix 3 (From DES Procedures)**

The relevant teacher must use the recording template at **Appendix 3** to record the bullying behaviour in the following circumstances:

- a) in cases where he/she considers that the bullying behaviour has not been adequately and appropriately addressed within 20 school days after he/she has determined that bullying behaviour occurred; and
- b) Where the school has decided as part of its anti-bullying policy that in certain circumstances bullying behaviour must be recorded and reported immediately to the Principal or Deputy Principal as applicable eg. serious incidents of bullying

When the recording template is used, it must be retained by the relevant teacher in question and a copy maintained by the principal. These records will be maintained in a locked filing cabinet/the secure store room within the school.

#### **Established intervention strategies**

- Teacher interviews with all pupils
- Negotiating agreements between pupils and following these up by monitoring progress. This can be on an informal basis or implemented through a more structured mediation process
- Working with parent(s)/guardian(s) to support school interventions
- No Blame Approach
- Circle Time

7. The school's programme of support for working with pupils affected by bullying is as follows (see Section 6.8.16 of the Anti-Bullying Procedures for Primary and Post-Primary Schools) :

- Support for the child who has been bullied: support in the form of a trusted adult to speak to daily is offered to the child who has been bullied for as long as is necessary. Self-esteem building exercised and opportunities to increase feelings of self-worth will be undertaken in order to restore self-esteem. Where appropriate or necessary friendship of a buddy system will be implemented for the child for yard times. If it is deemed appropriate the child will be offered concrete support in how to deal with a similar situation in the future, ie. Given the language tools to respond and seek help

immediately.

- Support for the child who has been deemed to be engaging in bullying behaviour: the child who has been engaging in bullying behaviour will be offered concrete support in changing his/her behaviour. This can involve self-esteem building exercises and opportunities to increase feelings of self-worth. This child may also be given the opportunity to speak to a trusted adult regularly to encourage him/her to make positive behaviour choices.
  
- All in-school supports and opportunities will be provided for the pupils affected by bullying to participate in activities designed to raise their self-esteem, to develop friendships and social skills and build resilience e.g.
  - Pastoral care system
  - Buddy / Peer mentoring system
  - Student Council
  - Group work such as circle time
  
- If pupils require counselling of further supports the school will endeavour to liaise with the appropriate agencies to organise same. This may be for the pupil affected by bullying or involved in the bullying behaviour.
  
- Pupils should understand that there are no innocent bystanders and that all incidents of bullying behaviour must be reported to a teacher.

#### 8. Supervision and Monitoring of Pupils

The Board of Management confirms that appropriate supervision and monitoring policies and Practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

## 9. Prevention of Harassment

The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps that are reasonably practicable to prevent the sexual harassment of pupils or staff or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.
