School Information

Background:

Bunscoil Bheanna Boirche was established in 1999 by a group of parents who wanted their children to be educated through the medium of Irish. Our founding parents had a clear vision for the education they wanted for their children, and the whole school community has worked tirelessly to make their vision a reality. Previously based at Castlewellan Community Centre, we moved to our new purpose built accommodation in September 2010.

Our aims are:

- That we educate our children to achieve their full potential through the medium of Irish;

It is recommended that pupils eat fruit, a yoghurt or a small sandwich at breaktime. Pupils are encouraged to stay hydrated with water throughout the day. We discourage sugary/fizzy drinks, crisps, chocolates and sweets as these can impact on the children's behaviour.

Curriculum:

There are three stages in Primary School:

- Foundation Stage (Naíscoil, Rang 1 and 2)
- Key Stage 1 (Rang 3 and 4)
- Key Stage 2 (Rang 5, 6 and 7)

We follow the Northern Ireland Curriculum: Literacy, Numeracy, The World Around Us, The Arts (Art & Design, Music and Drama), P.E, Religious Education, ICT.

We have an Irish immersion programme in Naíscoil, Rang 1 and 2, and we begin to teach English formally in Term 2 of Rang 3.

Naíscoil agus Bunscoil Bheanna Boirche assesses pupils in the same ways as pupils are assessed in any other primary school in Northern Ireland – Irish or English medium. In accordance with the NI Curriculum, in Years 1 – 7, teachers must assess your child's learning.

In Years 1 & 2, this predominantly takes the form of ongoing individual classroom observations. However, in Rang 1 & 2, pupils are also assessed on a 6 – weekly basis on their key literacy and numeracy skills/targets, albeit in a very informal style, such as structured games and 1:1 activities.

In Years 3 - 7, pupils undergo standardised tests in the summer term in English, Irish and Maths, which give a more formal indication of progress. These scores are then analysed by the teachers and subject coordinators, and used to plan the future teaching and learning of our pupils. Additional support is provided on a weekly basis to help raise standards in Numeracy and Literacy.

A significant proportion of the curriculum in Rang 1 is delivered through play-based learning, a natural progression from the Naíscóil curriculum. Children learn to problem solve, take turns, share, explain their methods and extend their vocabulary and communication skills through language rich, adult supervised/led play experiences.

We are very well resourced with ICT equipment. Each class has an interactive whiteboard, desktop and laptop computers, iPads and Chrome Books, as well as access to other ICT equipment such as BeeBots, Probots and Spheros. We have subscriptions to online learning tools such as Sumdog, Izak9, Giglets and Accelerated Reader, all of which help to contribute to an enhanced learning experience for our pupils.

We are in inter-denominational school, and we follow 'Living Learning Together', a pastoral care programme which encourages personal development and mutual understanding of the world and the wider community. We also prepare children for the Catholic sacraments if their parents so wish, following the Veritas 'Beo Go Deo' Catholic Education Series. We of course also cater for children who do not wish to participate in R.E. lessons and sacraments.

Our uniform consists of:

- Navy sweatshirt embroidered with the school logo and motto (available from McKenny's Clothes Shop in Castlewellan);
- Grey trousers, skirt or shorts;
- Green polo shirt embroidered with the school logo and motto;
- Navy school coat (optional);
- Black shoes; (preferably velcro/slip-on for younger pupils)
- Girls may wear navy or green gingham dresses in the summer time;

Children come to school in their PE gear on the days of their PE lessons

Transition from Naíscoil to Bunscoil:

Naíscoil Bheanna Boirche is our feeder nursery school. Children who have attended Naíscoil Bheanna Boirche are well prepared for the transition to Rang 1 in Bunscoil Bheanna Boirche. They participate in a language-rich immersion programme in Naíscoil Bheanna Boirche, where they experience a play-based learning environment through the medium of Irish, developing their language skills so that they are ready for the Rang 1 curriculum.

At regular intervals throughout the year the Naíscoil pupils attend storytime and play sessions in the Rang 1 classroom to get to know Máire Boden, the Rang 1 class teacher, Martina Lenaghan and Ruth Laverty, the classroom assistants and the current Rang 1 pupils. These sessions really help to make the pupils ready for the transition from Naíscoil to Rang 1.

We usually have a short induction programme at the start of September to settle the pupils quickly and easily into Rang 1.

Parents:

We have a caring, friendly ethos at Naíscoil & Bunscoil Bheanna Boirche where each child is valued and difference is celebrated. We acknowledge our children's successes in weekly school assemblies and we invite parents to join us for special assemblies to celebrate with us on special occasions.

We strive to involve parents in the life of the school. Parents help with clubs and events, and we have parents employed in the school. Parents are involved in fundraising and school development, and we have a very active and vibrant parents' group 'Cairde' who organise activities and fundraising events to help subsidise school trips and equipment, and new members are always welcome.

We believe that happy children are more effective learners. Parents are always encouraged to discuss any concerns they may have either with the class teacher or with the principal. Whilst having Irish in the home is not a prerequisite to attend Naíscoil agus Bunscoil Bheanna Boirche, parents are strongly encouraged to avail of the many great Irish language classes that are available in the area to be able to support their child's learning.

At Naíscóil agus Bunscoil Bheanna Boirche, we have well established links with other schools and community organisations in the community.

- Key Stage 2 pupils take part in Cumann na mBunscol Gaelic football and hurling tournaments with local primary schools
- Strong links with local post-primary schools, St. Malachy's High School, Castlewellan, and Shimna Integrated College, Newcastle.
- Strong links with Bunscoil Mhuire agus Phádraig in Downpatrick, Gaelscoil na mBeann in Kilkeel and Bunscoil an Iúir, Newry.
- Children from R5-7 take part in an All-Ireland Drama competition Féile Scoil drámaíochta
- Rang 6 agus 7 pupils are given the opportunity to visit the Donegal Gaeltacht to experience the spoken language amongst native speakers
