

F1 in Schools

Rang 6/7 have recently been working on aerodynamics in cars as part of the F1 in Schools competition. Last

week, two teams of four went to Ballymena to take part in the regional final with their model F1 cars. The pupils put a great deal of work into their cars, and made their own pit displays and presentations on their cars. Special thanks to Mrs Paula Gorman for agreeing to come along to help out last Friday. Thanks also to Glór Uachtar Tíre for providing us with sponsorship for the competition.

Torbáin is Sicíní

Buíochas le Clann Uí Ghormáin a ghlac isteach torbáin agus sicín ar scoil an tseachtain seo caite. Bhain muid an-sult as an chuairt.

Tóraíocht Uibheacha

Bhí spraoi iontach ag ár ndaltaí R1 an tseachtain seo caite agus iad ag dul sa tóir ar uibheacha thart ar Dhún Droinne. Together with P1/2 pupils from Annsborough Integrated PS, our Rang 1 pupils had lots of fun taking part in an Easter Egg hunt up Bunkers Hill last week.

Drámaíocht

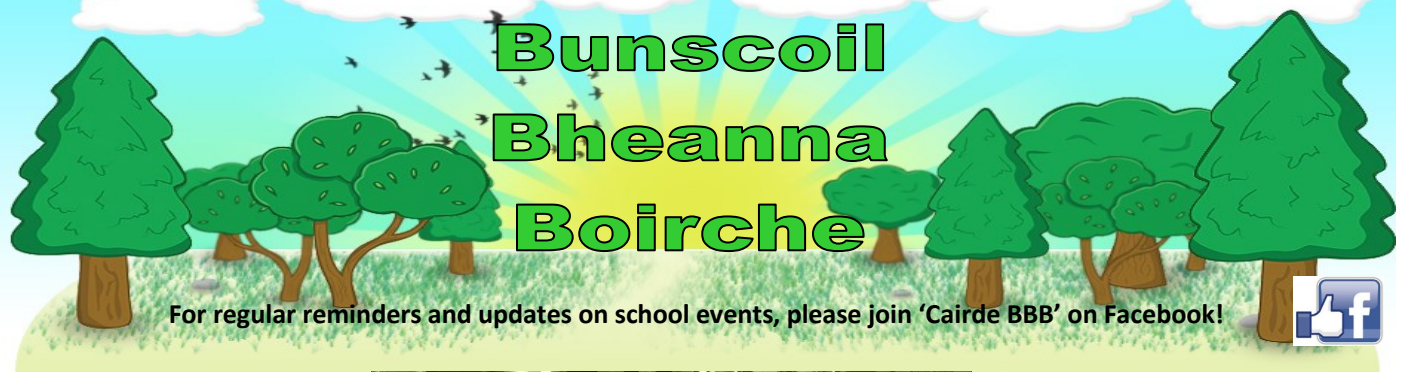

Many thanks to everyone who came along to watch our plays last week in St. Malachy's High School. We hope you enjoyed both of the shows.

Beannachtaí na Cásca

Don't forget, school finishes today for the Easter holidays. We'll see you all back at school on Monday the 24th of April. Have a great time over the break and try not to eat too many Easter eggs!

Seachtain Chódaithe

Bhain muid taitneamh agus tairbhe as an tseachtain chódaithe an tseachtain seo caite, nuair a bhí muid ag foghlaim fá dtaobh de chódú ar scoil.

Last week, we were learning about coding throughout the school to mark Coding Week. We had lots of fun learning to program using the iPads, BeeBots and even plain old hand-written instructions to make our algorithms.

TS Foods

Many thanks to Eimear McKibbin from TS Foods who came to have a chat with our Club Eolaíochta pupils recently.

Rep-tails ar scoil!

Pupils at our Club Eolaíochta had lots of fun last week with a visit from some scaly creatures!

Schools NI app

A chairde, we plan to reduce the frequency of our school newsletter to one issue per month. We've recently given our school website a thorough revamp, and we'd like parents to keep up to date via the website. We encourage parents to download the Schools NI app, which will alert you to all updates, upcoming events and letters sent home. The app is free and easily downloaded from the app store.

Earraí Cailte

Saorlaith McAleenan, Halle Flanagan and Bella McCaughey have lost school jumpers. Could parents please check at home to see if their child has taken one home by mistake. Charlie Paul in Rang 1 has also lost a sports bag with his name on it.
