Dear Parent/Carer,

We are writing to update you about our school's participation in Operation Encompass. Operation Encompass is an early intervention partnership between Police and Schools. It is aimed at supporting children who are victims of domestic violence.

Operation Encompass is already established across all of England and Wales and is now coming to Northern Ireland. It is a very simple idea, but one that will help us to support and protect vulnerable children. When the Police attend an incident of domestic violence where one of our pupils is present, they will inform the school's Designated Teacher for Child Protection at the start of the next school day. This information is shared in strict confidence and school staff are only told on a need-to-know basis.

Following any notification from the PSNI, our staff will provide immediate support to any child who has been the victim of domestic abuse. We know that when children do witness domestic abuse at home, this is a highly traumatic experience for them. By taking part in Operation Encompass, we can provide tailored and compassionate support to our pupils, in line with our school ethos. This builds on our existing commitment to child safeguarding.

Should you wish to find out more information, please contact the school's Designated Teacher for Child Protection: Ms McBurney or Mr Patterson (Deputy Designated Teacher).

Alternatively, you can read more about Operation Encompass at www.operationencompass.org

Regards

K Patterson (Principal & Deputy Designated Teacher for Child Protection)

Operation Encompass

We are an Operation Encompass school. Operation Encompass is an early intervention partnership between local Police and our school, aimed at supporting children who are victims of domestic violence and abuse. As a school, we recognise that children's exposure to domestic violence is a traumatic event for them.

Children experiencing domestic abuse are negatively impacted by this exposure. Domestic abuse has been identified as an Adverse Childhood Experience and can lead to emotional, physical and psychological harm. Operation Encompass aims to mitigate this harm by enabling the provision of immediate support. This rapid provision of support within the school environment means children are better safeguarded against the short, medium and long-term effects of domestic abuse.

As an Operation Encompass school, when the police have attended a domestic incident and one of our pupils is present, they will make contact with the school at the start of the next working day to share this information with a member of the school safeguarding team. This will allow the school safeguarding team to provide immediate emotional support to this child as well as giving the designated teacher greater insight into any wider safeguarding concerns.

This information will be treated in strict confidence, like any other category of child protection information. It will be processed as per DE Circular 2020/07 'Child Protection Record Keeping in Schools' and a note will be made in the child's child protection file. The information received on an Operation Encompass call from the Police will only be shared outside of the safeguarding team on a proportionate and need to know basis. All members of the safeguarding team will complete online Operation Encompass training, so they are able to take these calls. Any staff responsible for answering the phone at school will be made aware of Operation Encompass and the need to pass these calls on with urgency to a member of the Safeguarding team.
