March is Integrated Education Month, the theme this year is '**Celebrating Cultural Connections**'

Rights Respecting School

Right of the Month:

Article 30 - Children have the right to use their own language, culture and religion - even if these are not shared by most people in the country where they live.

Big Breakfast

Thank you to our Parents' Community group who delivered another delicious breakfast! An amazing £750 was raised through donations. We really appreciate their work and commitment to fundraising for our pupils.

World Book Day - We loved looking at the photos of the children reading in their favourite places.

Eco News

The Eco Committee would like to thank all those who left off clothes for our clash for clobber, we will let you know how much we received soon. Don't forget our *Walk on Wednesdays* each month...next one is Wednesday 2nd April.

Many thanks to P6 pupils and staff for the super informative assembly about being 'Water Wise' it was great to see so many parents/family members in attendance.

Safety

Please speak to your child about safety when walking home, some children are climbing up the embankment near Paddy Conway's and are running down it at speed. They are running close to the main road which is extremely dangerous.

Pupil Council 25th Anniversary Year...

We completed the burial of the time capsule and are preparing for our 'Break the rules' day.

Governor Vacancy

We have a vacancy for a parent governor, if interested please contact the school office.
