# Find your Way MEA

in association with Lagan Valley  
Orienteering and Geocaching.com

We are pleased to launch the new orienteering map of People's Park on Sunday 27th October at 2pm. This will be a fantastic opportunity to not only learn about orienteering but also to join in on testing the new map. Please dress appropriately for the weather and we'll see you at the Pavillion in the People's Park to obtain your map and instructions on how to get going.
