A new school year

I would like to take this opportunity to welcome all the pupils back to Tummery for the new school year.

I hope at this stage that everyone is well settled in their class. I would like to pay a special word of welcome to our Primary 1 pupils:

Paschal, Aoife, Tommy and Darcie.

They all seemed very happy in their first day of school photo that was taken—as you can see.

I would like to thank you all for the kind words of welcome that you have shown me since the beginning of term—it really has

been a great way to begin my time here as Principal of Tummery.

This year to develop the communication link between school and home we have launched the See-saw app. I know that most of you have signed up to this and I hope that you can see the benefits of the app. If you are unable to access the app please let me know and I will do my best to help to get you connected.

As I said on the first day of term I want to assure you of my full commitment to ensure that the children here receive the best possible opportunities and that their education will prepare them for their future and they will get all the opportunities to have access to the full curriculum.

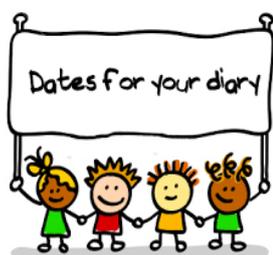

As always, if you have any questions or queries, please contact the school and we will be happy to help.

I look forward to a successful and enjoyable year at Tummery primary school.

Mr Conor McCrystall
Principal

A very happy birthday to Roise O'Neill and Emmet McCusker who celebrate their birthday this month.

Monday 24th:
Closed for School Development

Thursday 27th:
Beginning of year mass at 7.30pm in school —everyone is invited to attend.
