

Welcome to the January edition of Sunnylands News!

I hope that you all had a wonderful Christmas and New Year, with lots of family time. It was great to get the opportunity to welcome everyone to school for our Christmas performances and all our pupils did a super job, and staff too!

We are looking forward to the term ahead, as we welcome our children back to school.

In the year ahead we are working to plan a upgrade our outdoor learning area for our Key Stage Two pupils. We have the structure built and hope to have a new roof attached in the coming weeks.

You can continue to catch up on life in school by checking out our website
