

# Welcome

The staff at Steelstown Nursery Unit would like to welcome all the children and parents and look forward to an exciting and rewarding year. Each month we will provide a newsletter that will include activities and songs for you to enjoy at home together. This can also be viewed on school website.

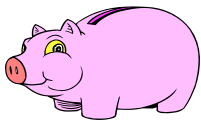

Thank you for your co-operation and understanding during our Induction and Settling-in process. We will work together to settle your child but if your child remains unsettled we will work with you through this phase.

## Fund Money/ Dinner Money

The children are asked to bring £2.00 each week for the Nursery Fund. This is used for snack and replenishing necessary resources. This money will be collected on a Monday.

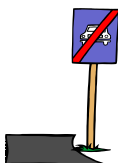

All money is carried in a purse or envelope with the child's name on the front. **Please do not give staff money at the door.**

All parents/guardians should use the Parent pay app for dinner. Details on how this works have been forwarded to you. This must be paid in advance.

## School Safety

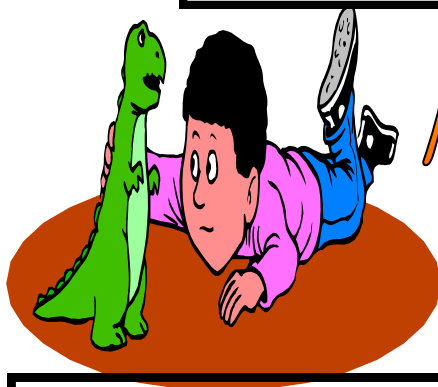

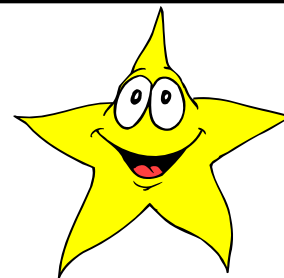

It is important that all parents, or those collecting your child, close the gates at Nursery when leaving building. Please do not bring dogs in to the school grounds.

- Praise all your child's efforts and display his/her work at home.
- Point out the colour **YELLOW** at home and in the environment.
- Please help at home to learn our songs and Nursery rhymes with your child.
