8th January 2026

Dear Parent(s)

As we begin another busy term, on behalf of all the staff in St. Tierney's, I would like to wish you a very Happy New Year and to offer sincere thanks for the generosity of parents, families, businesses and the wider community before Christmas. Very thoughtful cards, messages, gifts and donations to our charities and fundraisers were beyond all expectations and again we would like to express our gratitude. As well as supporting Team Hope Shoe Box Appeal and raising £150 for St. Vincent de Paul, we have raised almost £2000 for our school funds through our cinema night, family and pupil raffles. This money will be used to pay off our Climbing Frame and to start working towards updating ICT equipment.

CATHOLIC SCHOOLS WEEK

Catholic Schools Week takes places week beginning Sunday 18th January 2026. It is important that we continue to nurture the faith of our children and community in these changing and challenging times. This year's theme is: **'Catholic Schools - Normal Lives, Called to Holiness'.**

Daily themes that we will celebrate through the week are as follows:

Monday: **Called to Holiness through Prayer.** Tuesday: **Called to Holiness through Love and Friendship.**

Wednesday: **Called to Holiness in Family Life - Grandparents' Day.**

Thursday: **Called to Holiness through Service and Courage.**

Friday: **Called to Holiness through Joy and Mission.**

HOLY SACRAMENTS FOR 2026

Preparation continues in school this term for the celebration of the Holy Sacraments of First Holy Communion and Confirmation. We encourage families, particularly those with children preparing for Sacraments, to attend mass on a regular basis. Dates for First Confession and Service of Light to be confirmed. Fr Chester has very kindly arranged a 1-day retreat to Lough Derg for Confirmation classes from the parish on Thursday 26th March. P4 will also attend weekday mass at least once a month in preparation for celebrating First Holy Communion. Dates for this and any other changes or notices will be communicated by text.

LAUNCH OF READING EGGS

We were delighted with the participation of parents and pupils in our Paired Reading Programme in term 1. The time spent reading one on one with your child is invaluable and we would encourage you to continue to implement aspects of the programme as much as you can moving forward.

To further develop improvements in pupil literacy skills we are introducing Reading Eggs, which runs alongside our online Mathletics Programme to support phonics, fluency and comprehension skills. All pupils should have the opportunity to complete Mathletics and Reading Eggs at home and in school. Please try and incorporate this into weekly homework. See some information on Reading Eggs below:

Reading Eggs and Reading Eggspress is a unique reading package for children from four to 13 years. Reading Eggs builds on and consolidates the five key reading pillars: phonemic awareness, phonics, fluency, vocabulary and comprehension. It supports learners by offering personal one-to-one lessons that children complete at their own pace and children won't even realise they are learning as they play. Their journey then continues onto Reading Eggspress where they discover a range of texts and tackle more complex comprehension, emerging as confident, aspirational readers who are secure in their learning.'

Key Features & Benefits:

- **Engaging & Fun:** Uses interactive games, animations, and rewards (eggs for arcade, avatar customization) to keep children motivated.
- **Educationally Sound:** Designed by educators, based on scientific research, and builds on five core reading pillars.
- **Personalized Learning:** Children learn at their own pace through individual lessons.
- **Comprehensive:** Takes children from learning letters to reading full books, with progress tracking for parents.
- **Accessible:** Works on computers, tablets, and phones, supporting classroom or home learning.

How it Works (The Journey):

1. **Start with Basics:** Kids learn phonics, letter sounds, and sight words through fun, short lessons.
2. **Earn Rewards:** Completing activities earns "eggs" to spend in the Reading Eggs world.
3. **Build Skills:** Progress through lessons that cover phonemic awareness, phonics, vocabulary, fluency, and comprehension.
4. **Advance:** Move onto Reading Eggspress for more complex texts and comprehension.

The four levels in Reading Eggs provide a healthy coverage of early reading skills. Level 1 begins at a pre-school level, starting children off by focusing on the alphabet, letter sounds, first words and short vowels. Further levels help children learn to read and write simple sentences covering short vowels, blends, sight words and word building. Golden eggs are rewarded for every activity completed and these can be spent on games or items for online avatars. The range of activities motivates pupils to return regularly to complete lessons, share their work with others, earn rewards and expand their knowledge.

In short, Reading Eggs makes learning to read an exciting adventure, turning reading practice into playtime 😊.

😊 PLEASE KEEP FREE 😊
