School Development Plan – Parent Questionnaire

Dear Parent or Guardian,

Each year the staff and governors review the progress made in the children's learning and the school's development, identifying areas of focus for continued progress in the future. To help with this review, we would ask parents to complete a questionnaire as part of our ongoing school self-review and development cycle and helps us to devise the School Development Plan.

Your suggestions and any further areas of development will be taken into account when prioritising this year's School Development Plan. It is important that all members of the school community have the opportunity to contribute towards this plan. All parents, staff and governors are asked to contribute as, of course, are the children.

We would be grateful if you could take a few minutes to complete this questionnaire so that your suggestions can form part of the school's discussion of this year's Development Plan.

You can complete the questionnaire by typing in the link below and completing online. A text will be sent with the link and this letter will be placed on the School Website under Parents – School Letters tab and the link can be clicked on from there.

Alternatively, you can ask the school for a paper copy.

I would kindly ask that all questionnaires are submitted by Monday 20th January 2025.

Yours sincerely,

Mr Paul Greenaway

Principal

Please note – The school evaluates itself under the following headings which are the headings Education and Training Inspectorate (ETI) use for school inspections:

- Leadership and Management
- Quality of Provision
- Outcomes for Learners

When completing the questionnaire, please select one of the numbers following each statement to show your answer to each question: 1 = strongly agree 4 = strongly disagree

If you do not have enough information to answer a question please select the 'unable to comment' box.

There is also space for you to add any comments you wish at the end of each section.
