

Welcome to P6/7

Dear Parent/Guardian,

I thought it might be useful to send a note home about stationery for next year before the summer holidays to save unnecessary purchases.

Every pupil in P6/7 is provided with a pencil case from school filled with the following items:

- Scissors
- Glue stick
- Whiteboard marker
- Whiteboard rubber
- Green pen for self-marking

This pencil case remains under their desk and each set of tables also has access to felt tips and colouring pencils.

There is therefore no requirement to purchase any of the above items unless your child would like their own resources and they are more than welcome to bring these in.

Below is a list of stationery which your child **will need**:

- Sharpened pencils
- Rubber
- Sharpener (preferably with a compartment to hold sharpenings)
- Ruler (15cm **if desired** as 30cm rulers are available in class)
- Coloured pen/pens (for underlining key terms etc. Not blue, black or green.)

P7 will not be writing with pen for the time being so no blue/black pens or tippex are required.

Have a lovely summer break and many thanks,

Mrs Weir
