

50th Anniversary

A chairde,

In 2025, we will celebrate the 50th anniversary of our school. As part of the celebrations, we are planning to hold a photographic exhibition during the week starting Monday, April 10th, 2025. To help us prepare for this event, we are kindly asking you to share any photographs or memorabilia you may have from your time at the school.

Additionally, if you or members of your extended family have any special memories or reflections about your connection to the school, we would love to hear them! You can contribute in one or both of the following ways:

1. Submit Photos or Memorabilia:

Collect any photos or memorabilia you may have and send them to the school to be copied or used in the exhibition. Please be sure to fully label the items with your name and provide a brief description of the people or events they relate to. Rest assured, all materials will be returned to you after the exhibition is over.

2. Share Memories via Online Form:

Use the attached Online Form link (or scan the QR code) to share your thoughts and memories of the school. The form takes just 3 minutes to complete, and some of the responses may be included in the exhibition or a commemorative booklet.

<https://forms.office.com/e/fPv2GLhH3t>

We kindly ask that all materials are submitted by Sunday November 17th, to allow us enough time to organise everything before Christmas. Your contributions, along with those of your wider family, will help ensure that we celebrate this milestone in style and capture the rich history of our school, which has been at the heart of the community for half a century in its current form—and for much longer in the previous building!

Go raibh maith agaibh,
