Thank you so much for supporting the Hundred Square fundraiser. Ollie Keown won the £250 and Ciaran Kearney won the hamper, which was donated by Anthony from Mario's Ice Creams. We raised £250 for school funds.

Christmas Dinner

The children will be having their Christmas Dinner in school in December. The date for this is yet to be confirmed. School uniform is to be worn as usual.

Christmas Celebrations

The children will be dressing up and singing Christmas songs. This will be put on our school website, so remember to look out for it. We will decorate our Parents Room and make it into a very exciting Christmas/Winter Wonderland! Each child will be given a lovely Christmas Present to take home, as we do every year.

Friday 18th December

Christmas jumper/own clothes and Party day - children finish at 10.30am

Charity Donations

Thank you to all who supported our Children in Need Non-Uniform Day. A total £55 was raised for this charitable cause. The Cash for Clobber collection raised £152. Thank you to all who donated.

*Each year the staff ask the parents not to bring Christmas gifts to them but instead to give a small donation to charity - the Macmillan Cancer Fund for Children. An envelope and information will be sent home,

Parental Involvement

A big thank you to Peyton's mum, Mary, who donated lots of wool for school.

September 2021 Enrolment

We are not holding an Open Day for new pupils this year. Prospective parents are asked to look at our website especially the section on A Day in the Life of St Colmcille's Nursery School. Also read the section on Applying for Nursery School. This gives information about the online process for September 2021 enrolment.

*Don't forget that this is also the time for you to enrol your child in a primary school for Sept 2021.

Getting Ready to Learn

Next term all the children will be getting a pack home, which has been funded by The Getting Ready to Learn initiative. We will be also sending home smaller packs each month working through the themes of Big Bedtime Read, Happy Healthy Kids and Education Works in Preschool, for you and your child to work on together at home.
