Eco news

Well done to all the boys and girls who have continued to be Eco friendly by using recycled water to water plants, reuse old cardboard boxes etc. for art and craft materials etc. We have planted flowers and vegetables and are learning to look after these. We also are learning about how a caterpillar changes into a butterfly, and we currently have some of these in our classrooms.

Parental Involvement

We would like to say a big thank you to all our parents this year who have been so helpful and supportive in so many ways.
