Dear Parents and Carers,

We are all very much looking forward to welcoming you and your children to our school in September.

Normally we are able to do so much more to support transition and I apologised that this has been curtailed. I am grateful though, for the understanding you have shown in these strangest of times. As part of our response to current COVID-19 pandemic we are having to make a number of changes to our usual routines and events. Normally this information would be shared by now, however this year it has not been possible because we are still receiving updates from both central government and the local authority.

Kind regards,
