

Homework – WC 7<sup>th</sup> December. Due 14<sup>th</sup> December

Please log into My Maths and complete task titled “Subtraction in columns”.

3 Smileys will be rewarded to those who have a go! Let me know if you need any help.

Well done to the 13 children who had a go at last week’s homework! 3 smileys will be rewarded to you.

Remember you must regroup when tyou can’t take the bottom number from the top! For example

4 – 7...

You’d need to regroup from the next column along...and if you can’t regroup from that column go to the next!

### Q1 - Subtracting tens and hundreds

Work out these subtractions.

You might need to use pen and paper.

$$\begin{array}{r} 79 \\ - 51 \\ \hline \square \end{array}$$

$$\begin{array}{r} 53 \\ - 25 \\ \hline \square \end{array}$$

$$\begin{array}{r} 73 \\ - 36 \\ \hline \square \end{array}$$

$$\begin{array}{r} 91 \\ - 55 \\ \hline \square \end{array}$$

[4]

$$\begin{array}{r} 382 \\ - 28 \\ \hline \square \end{array}$$

$$\begin{array}{r} 329 \\ - 54 \\ \hline \square \end{array}$$

$$\begin{array}{r} 512 \\ - 195 \\ \hline \square \end{array}$$

$$\begin{array}{r} 912 \\ - 488 \\ \hline \square \end{array}$$

[8]

### Q2 - Using subtraction

A school canteen has a box of 81 apples. They use 48 of the apples on Monday and the rest on Tuesday.

How many apples does the canteen use on Tuesday?

[2]

A Sixth Form college has 738 students. 492 of the students are in Year 12 and the rest are in Year 13.

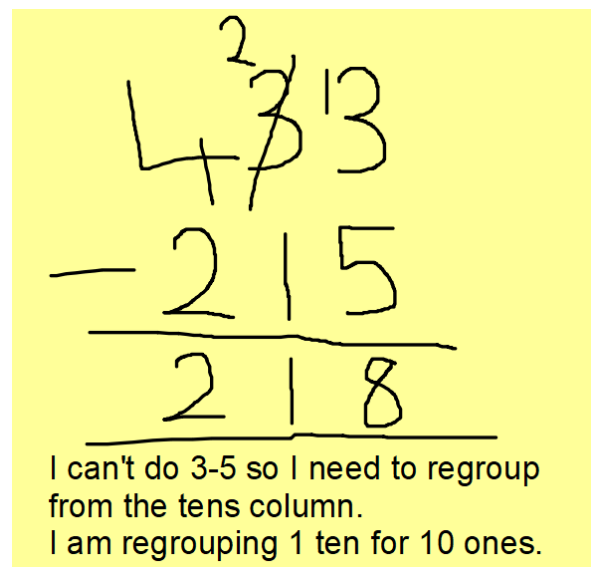

How many students are in Year 13?

[2]

Mr Loveson has £834 in his savings account. He takes out £296 to pay for a holiday.

How much does Mr Loveson have left in his savings account?

£  [2]

I can't do 3-5 so I need to regroup from the tens column.  
I am regrouping 1 ten for 10 ones.
