

FS2MOUSE CLUB

Term 1 | Week 4

Our focus at the start of this term has been to help the children settle into school life - learning our daily routines and getting to know new friends.

We have been reading the story of **'The Colour Monster'** and 'The Colour Monster Goes to School', by Anna Llenas and we are enjoying the song 'If You're Happy and You Know It...'

You can watch a video of the song that we will play in class by following this [link](#).

If you're happy and you know it, clap your hands (clap, clap)
If you're happy and you know it, clap your hands (clap, clap)
If you're happy and you know it, and you really want to show it
If you're happy and you know it, clap your hands. (clap, clap)

If you're happy and you know it, stamp your feet...
If you're happy and you know it, turn around...
If you're happy and you know it, wiggle your hips...
If you're happy and you know it, stretch your arms...
If you're happy and you know it, pat your head...
If you're happy and you know it, touch your nose...
If you're happy and you know it, point your toes...

If you're happy and you know it, shout hello!

Activities To Try at Home

We will be talking about the things that make us happy at school.

- Show your mouse a place at home where you feel happy. Chat about why you chose that place.
- You could add a photograph on your Tapestry page or draw a picture (to either photograph and add to Tapestry or to bring into school for your Proud Wall). For example, your bedroom, your grandparent's house, the garden, the park, etc.
