

FS2MOUSE CLUB

Term 1 | Week 7

This week we will continue to look for signs of Autumn and learn about how farmers harvest fruits and crops during Autumn.

Book of the Week

Our focus book will be 'The Enormous Turnip.'

It is a wonderful traditional tale to learn about harvest and different types of root vegetables.

It is also a great story for using lots of great mathematical language: weight, size, big, bigger, biggest, ordering, first, next, then, and also, etc. Please click [here](#).

Song of the Week

Our song of the week is 'Dingle Dangle Scarecrow' and you can find the version sung by Mr Tumble using Makaton signs [here](#):

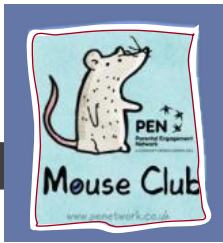

*I'm a dingle dangle scarecrow
With a floppy floppy hat
I can shake my hands like this
and shake my feet like that.*

- (1) When all the cows were sleeping,
And the sun had gone to bed.
Up jumps the scarecrow and this is what he said,
- (2) When all the hens were roosting
And the moon's behind a cloud.
Up jumps the scarecrow and shouts out very loud...
- (3) When the dogs were in the kennel
And the doves were in the loft
Up jumps the scarecrow and whispered very soft...

Term 1 | Week 7

Activities To Try at Home

- Make the most of warm autumnal days and take your mouse outside for a walk. The trees are changing all the time.
- Talk about the sounds you can hear on your walk. Are they loud sounds or quiet sounds?
- What is your favourite vegetable to eat? Watch the YouTube clip below which is a song about how vegetables are grown. There is also a CBeebies clip which tells us more about the harvest.
- Please click [here](#)
- Please follow this [link](#)

Our Makaton Sign this Week is 'harvest':

Look at the Makaton weather clips using the link below to remind you of the signs we have already learnt about the weather this term. You can find them by clicking this [link](#).
