

FS2MOUSE CLUB

Term 5 | Week 3

Our Story this Week

The Very Hungry Caterpillar

This week we are finding out about the different types of minibeasts that we might find in our garden. We will be reading 'The Very Hungry Caterpillar' by Eric Carle. Please click [here](#).

Our song of the week

'There's a Tiny Caterpillar on a Leaf'

You child can listen to this song by following this [link](#).

There's a tiny caterpillar on a leaf, wriggle, wriggle

There's a tiny caterpillar on leaf, wriggle, wriggle

There's a tiny caterpillar, a tiny caterpillar,

A tiny caterpillar on leaf on a leaf, wriggle, wriggle.

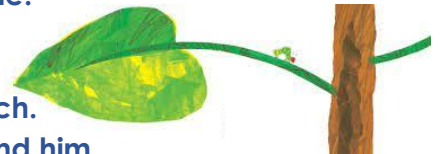

He will eat the leaf around him till he's full, munch, munch.

He will eat the leaf around him till he's full, munch, munch.

He will eat the leaf around him, eat the leaf around him,

He will eat the leaf around him till he's full, munch, munch.

He will spin a warm cocoon for his home, spin, spin.

He will spin a warm cocoon for his home, spin, spin.

He will spin a warm cocoon, spin a warm cocoon.

He will spin a warm cocoon for his home, spin, spin.

Then he'll be a butterfly and flap away, flap, flap.

Then he'll be a butterfly and flap away, flap, flap.

Then he'll be a butterfly, be a butterfly,

Then he'll be a butterfly and flap away, flap, flap.

Ideas to try at home

Look at pictures of real butterflies and make your own butterfly picture. Look at the wings (we will be learning that they are **symmetrical**). Think about where there may be caterpillars in your garden at the moment and see if you can find them. You may come across the eggs that are laid by the female butterfly on some leaves as well. Have you seen any butterflies this year? What did they look like?
