

FS2MOUSE CLUB

Term 5 | Week 4

This week we are continuing to learn about the variety minibeasts that live in our school garden.

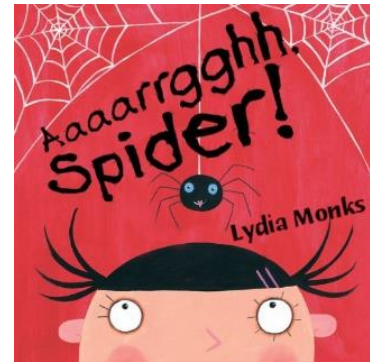

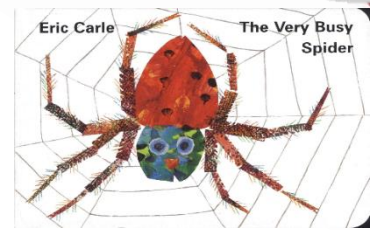

We will investigate where they live and consider why. We will also think about why they can be difficult to find.

Our stories this week are:

- **The Very Busy Spider** by Eric Carle (click [here](#))
- **Aaaaagh Spider!** by Lydia Monks (click [here](#))

As the children explore, they will discover lots of different facts about lots of different minibeasts.

They will then have a go at sorting them into different sorts of categories, for example, wings/no wings

Our Song: Incy Wincy Spider

We are going to learn the Makaton actions that go with the song on this [video](#).

Incy Wincy Spider
Climbed up the waterspout!
Down came the rain,
And washed poor Incy out!
Out came the sunshine,
And dried up all the rain.
So, Incy Wincy Spider,
Climbed up the spout again!

Incy Wincy Spider,
Climbing up a tree -
Down came the snow,
And made poor Incy freeze!
Out came the sunshine
And dried up all the snow
So Incy Wincy Spider
Had another go!

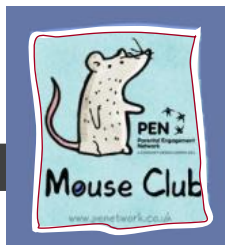

Ideas to try at home

Term 5 | Week 4

- Have a go at making a paper plate spider or a spider's web.
- In the morning go outside with a grown-up and see if you can find any spider webs glistening in the morning dew. Where will you look? Look at the shape of the webs.
- Find out about the spiders that live in other parts of the world. Can you tell us a new fact that you have learnt about spiders?

Makaton
