

FS2MOUSE CLUB

Term 5 | Week 5

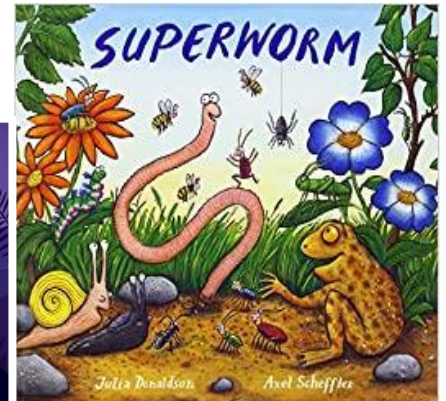

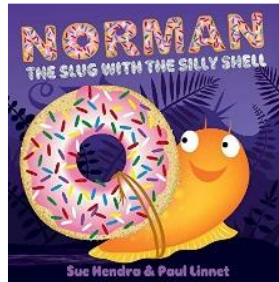

Our Book of the Week

Superworm

Our focus this week is finding out about the minibeast who have no legs or wings to help them move about! Our main story this week will therefore be '**Superworm**' by Julia Donaldson.

We will also enjoy other stories including '**The Snail and the Whale**' also by Julia Donaldson, '**Snail Trail**' by Ruth Brown and '**Norman the Slug with the Silly Shell**' by Paul Linnet and Sue Hendra as well as a range of non-fiction books.

Please click [here](#) to view '**Superworm**' and [here](#) for '**Norman the Snail with the Silly Shell**'.

Our song of the week '*Wiggly Woo!*'

Click either link: [Link \(1\)](#) or [Link \(2\)](#)

There's a worm at the bottom of the garden
And his name is Wiggly Woo.

There's a worm at the bottom of the garden
And all that he can do -

Is wiggle all night and wiggle all day,

Whatever else the people say

There's a worm at the bottom of my garden

And his name is Wiggly Woo!

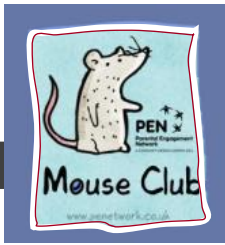

Ideas to try at home

- Make a 'Superworm' model using playdough or old colourful socks or draw a picture of Superworm helping his friends.
- Have a minibeast hunt in your garden. What can you find? Very gently have a look at them, describe them to your grown-ups and think about where they live and why that is a good place for them to be safe.
- Follow the instructions to make a wormery – remember to look after your worms and put them back in the garden where they can be safe and thrive. (Click [here](#)).
