

FS2MOUSE CLUB

Term 5 | Week 6

Our Book of the Week

This week we will be reading the book '**Mad About Minibeasts**', which is a collection of poems about minibeasts, and we will be learning about rhyming words and we recite the poems. Please click [here](#).

The Bees Go Buzzing!

Our song of the week

To join in with our song please click [here](#).

World Bee Day

Monday 20th May is **World Bee Day** and at school we will be finding out facts about bees and why they are so important.

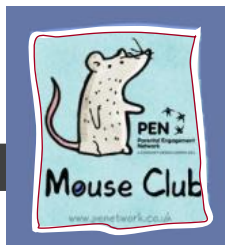

Ideas to Try at Home

- Maybe you could try some honey on toast at home? Talk about the colour, smell and texture of the honey. Click the [link](#) for information about the importance of bees.
- Talk about all the minibeasts we have learnt about this term.
- You could draw or paint a picture of your favourite minibeast or even make a model using a paper plate or bun cases.
- Could you tell your grown up some facts about your favourite minibeast? For example, how they move, where they live, if they have any legs, etc.

Term 5 | Week 6

This Week's Makaton

Miss D'Roza has been singing this song with the children during our music lessons. Please follow this [link](#) to a video showing the Makaton we use in class.

If I were a minibeast
I wonder what I'd choose to be?
A spider in a web?
Or a cricket in a hedge?
Maybe ... let me see.

If I were a minibeast
I wonder what I'd choose to be?
A ladybird with spots?
Or a centipede with lots of legs?

Would I like to jump?
Would I like to swim?
Would I rather crawl, or fly with wings?
These are just a few of the many things
To choose between.

Would I like to live under rocks or stones?
In the sky above, or the earth below?
Would it suit me best to live underneath
the ground?
