

# FS2 MOUSE CLUB

Term 6 | Week 6

## Our Theme

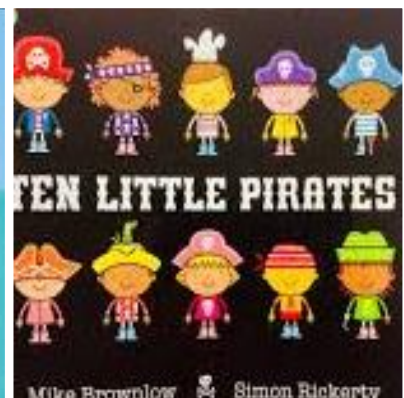

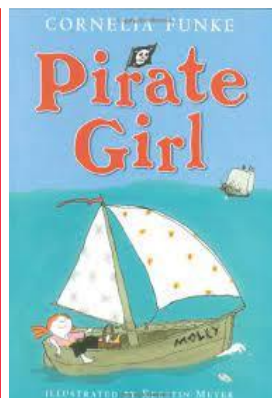

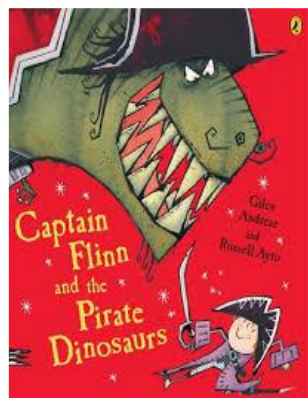

This week we will be finding out about coastal areas in other parts of the world, in particular the Caribbean islands. We will learn about the importance of the sea long ago for people living by the sea, when more people and goods travelled by boat – including **PIRATES!**

We will use the internet, safely, and information books to find out about the beaches, plants and animals on the tropical islands and about boats and ships from long ago compared to modern boats.

## Our Books of the Week

Our story books this week will be all about pirate adventures! You can listen to one [here](#).

*When I was one, I played the drum the day I went to sea.  
I climbed aboard the pirate's ship and the captain said to me,*

*We're going this way, that way, forwards and backwards,  
Over the Irish Sea.*

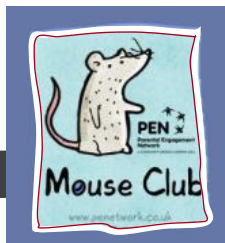

*A bottle of rum to fill my tum and that's the life for me.  
When I was two, I buckled my shoe ...*

*When I was three, I grazed my knee ...*

*When I was four, I knocked on the door ...*

*When I was five, I learnt to dive ...*

## Ideas to try at home

- Do you have a pirate book at home? You could bring your book to school to show us, or maybe you could record yourself retelling the story on a video and pop it on Tapestry.
- Create a picture of a pirate ship. Don't forget the crow's nest and the Jolly Roger flag! Or you can make a model of a pirate ship using junk materials.
- Have you ever been on a boat? Where did you go? What was it like? Ask your grown ups if you have any photographs that they could show you, put them on Tapestry if you can, so that you can tell the class.

## FS2 Pirate Day

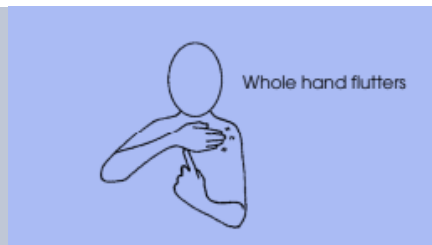

Remember to come to school on **Friday 12<sup>th</sup> July 2024** dressed as a pirate!
