

# FS2 MOUSE CLUB

Term 1 – Week 4 (2024-2025)

In **FS2** we learn so much by using our outside environment. Currently we are finding out about the different types of weather that we are all experiencing at the moment, its effect on us and the seasonal changes from summer to autumn.

### Book of the Week

We are now enjoying the traditional story of the 'Little Red Hen' – which links to our work on friendship and harvest time. Click to [link](#) to watch Mr Tumble retelling the story whilst using Makaton signs.

### Song of the Week

Our **song of the week** is called 'Sun, Rain, Wind and Snow'. Please click [here](#) to watch a video of the song and join in.

On a sunny day, I'm happy  
On a sunny day, I smile  
Flowers bloom, in the sunlight  
We play outside and we go and look for butterflies

On a rainy day, I'm happy  
On a rainy day, I smile  
Hills and trees look fresh and green  
And I see rainbow-coloured umbrellas in the streets

On a windy day, I'm happy  
On a windy day, I smile  
All the leaves shake and fly  
And my kite is flying high in the sky.

On a snowy day, I'm happy  
On a snowy day, I smile  
Snowflakes fall on my window  
Frozen leaves, shine like silver stars in a dream

Term 1 – Week 4 (2024-2025)

## Home Activities

- Take your mouse outside and see what the weather is like today. Will you both need to wrap up warm, or use or an umbrella, or have we got some warm sunshine?
- Talk to your grown-ups about how the weather affects the clothes we choose to wear and the activities that we can do.
- Can you act out the story of the Little Red Hen? Maybe your mouse can be one of the story characters?
- Next week we will be baking bread at school. What is your favourite type of bread? If your family enjoys a special type of bread, please pop a photo of it on Tapestry and you can tell us what it tastes like and when you like to eat it.
