

# FS2 MOUSE CLUB

Term 1 – Week 8 (2024-2025)

## Our Book of the Week

Our focus book this week is 'Stick Man' by Julia Donaldson and Axel Scheffler. It is the perfect time for reading this story as there are plenty of sticks on the ground! We will be looking closely at the illustrations as we find out about Stick Man's adventures. We will look for clues to see if we can guess the season. We will be imagining our own adventures for Stick Man and choosing the perfect sticks to make our own character. Click [here](#) to listen to the story with your child.

## Activities at Home

- ✓ How many animals can you count in the Stick Man illustrations? How many dogs/cats/birds etc? Can you name them all?
- ✓ Collect different sticks that have fallen to the ground. Can you talk about their length/width and compare them? (Longer, shorter, same, etc.)
- ✓ While you are looking at the sticks on the ground you could choose some to make your own stick family and make a place for them to live!

## Our Makaton Signs this Week
