

# FS2 MOUSE CLUB

Term 5 – Week 6 (2024-2025)

## Our Book of the Week

Our focus this week is finding out about the minibeasts who do not have any legs or wings to help them move about! Our main story this week will be the story of **'Superworm'** by Julia Donaldson.

We will enjoy other stories including **'Snail Trail'** by Ruth Brown and **'Norman the Slug with the Silly Shell'** by Paul Linnet and Sue Hendra as well as a range of non-fiction books. Please click [here](#) to view **'Superworm'** and [here](#) for **'Norman the Snail with the Silly Shell'**.

## Our song of the week 'Wiggly Woo!'

(Click the [link](#))

There's a worm at the bottom of the garden,  
And his name is Wiggly Woo.

There's a worm at the bottom of the garden,  
And all that he can do is...

Wiggle all night and wiggle all day -  
Whatever else the people say?

There's a worm at the bottom of my garden  
And his name is Wiggly Woo!

## Activities to try at home

- Make a 'Superworm' model using playdough or old colourful socks, or draw a picture of Superworm helping his friends
- Follow the instructions to make a wormery – remember to look after your worms and put them back in the garden where they can be safe and thrive (click [here](#)).
- World Bee Day is on **Tuesday 20<sup>th</sup> May 2025**, you could try some honey on toast at home - talk about the colour, smell and texture of the honey
- Click the [link](#) to learn about the importance of bees:
