Citizen of the Week

This week's recipient is **Ellie** in **Y6** who understands why it is important that everyone should be treated with dignity and respect in line with our 'Statement to Live By' this week. Ellie is very kind and thoughtful. She shares her time with others and never competes for attention. She puts others first, and in doing so shows that she respects them. Ellie is a fantastic member of our community and a great role-model – especially to our younger children! Congratulations Ellie, we are all extremely proud of you!

Term 6 Learning Value

This term we are focusing on our Learning Value, 'passion'. The value was introduced at the beginning of term by our Sports Leaders; William, Alex and Kai during a special assembly. It is also displayed on our Term 6 'British Values' display.

The sports leaders challenged the school community to think about what 'passion' is and why it is so important. Passion is an attitude and behaviour trait that all winners have. People who achieve, sometimes against the odds, display a real passion about what they are doing and why they are doing it.

The children learned that they can be winners and achievers if they too are passionate about what they believe in; about what they enjoy doing; and about what they want to achieve in their lives today, tomorrow, this week, this term, this year and so on. It all starts with developing and embedding great attitudes to learning now, whilst they are young.

'Passion' is like a fuel that keeps us going. It can help us to be positive in our outlooks and resilient enough to keep working and trying and practising even when we find something challenging. We never, ever, ever give up. We keep pushing – learning as we do - until we succeed and achieve, sometimes in unexpected ways. Passion can drive people to achieve incredible things in their lives for themselves and for others!

Parent Carer Support

If you would like an appointment to meet our MAST Support Worker, please speak to Mrs Pickering, someone in the School Office or email (enquiries@st-johnfisher.org). Our MAST worker is there to support all parents and carers; to listen first and to offer helpful advice on a wide range of matters. She can also signpost you to other services and liaise with my team here at SJF so that together we can ensure that you feel supported.

Celebration Assembly

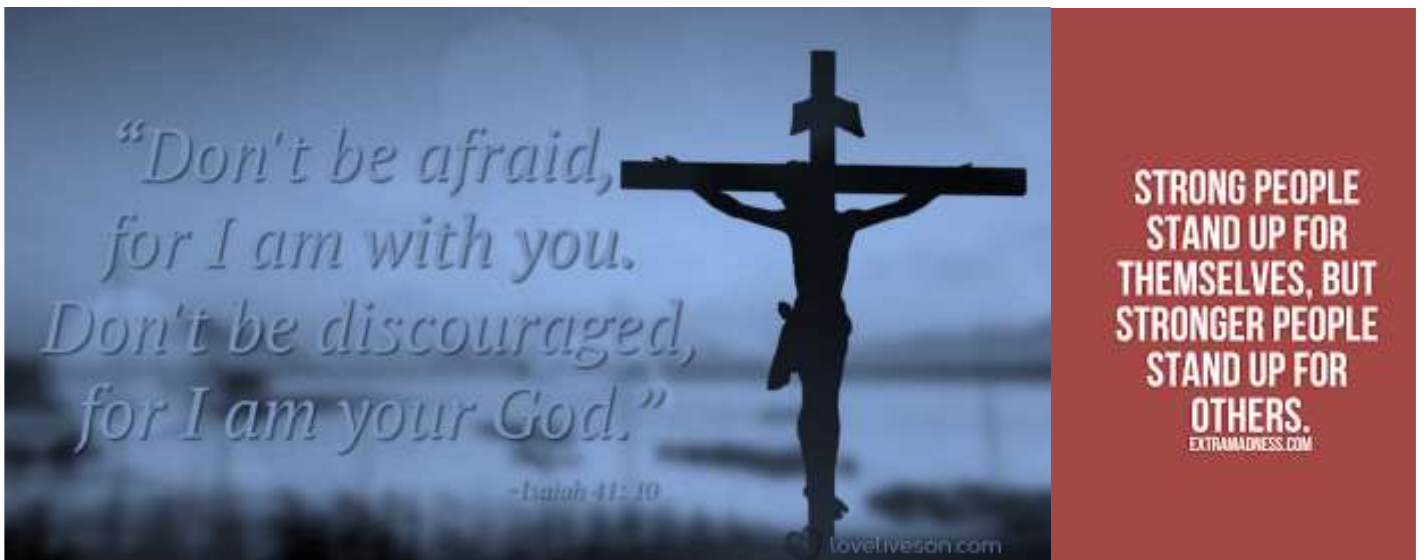

A reminder that for the rest of the school year we are trialling a change to the timing of our Celebration Assemblies. They are still on Fridays but will start just after 9.00am (as they do on Thursdays). We just want to see how things work before making any long-term decisions. Please pass on your feedback via our main email address (enquiries@st-johnfisher.org).

Our next Celebration Assembly is just after 9.00am on **Friday 15th June 2018** in the School Hall and we would like to invite the family and friends of our **FS2** pupils to join us then. Thank you.

Statement to Live By

Next week our 'Statement to Live By' will be **"I stand up for others being treated unfairly"**

Time to talk: why is it important to stand up for those being treated unfairly? What might happen if we say or do nothing? How can we stand up for someone safely without putting ourselves at risk? Who can we talk to about something we are unhappy about or unsure of? Can you think of anyone who has stood up for anyone being treated unfairly? Can you find out about someone who managed to do this peacefully?

Best wishes,
Mr Barratt
