Sportshall Athletics

On Wednesday afternoon 18 Year 6 children went to All Saints Goals to participate in a school games competition, Sportshall Athletics. They all performed brilliantly and showed super teamwork. We clearly have some budding athletes in our midst. Mrs Broadhead would like to thank Miss Stevenson for her help and all the parents that came to show support. It was a wonderful event. Well done!

Parent Advice and Support – Drop-in Sessions

Sue Bernarde from the MAST Parent Support Team will be in the school library from **8.30am on Thursday mornings** from the 17th November to offer support and advice to parents. This may be as simple as finding out what services are available for parents in Sheffield. It may be around specific advice e.g. about a parenting issue – sleep routines, behaviour management, or about housing issues, debt and other general advice and support. If you would like to pre book an appointment please speak to Mrs Asquith who will be able to pass on your name to Sue. This is a new service for our school and so we hope that people will take the opportunity to pop in and have a chat with Sue.

Pet Club

As always we have had some very important visitors helping us to learn about pets and how to take care of them. Thank you to Phoebe who introduced us to Buster, a dog of many talents who showed us his tricks and skills and also that dogs too care about fashion, as he wore a lovely stripey jumper to the event. Thank you also to Evie who brought in Ted, a wonderfully inquisitive and social kitten, who enjoyed having a stroke from everyone in the group. We were able to ask a lot of questions and learn about cat and dog behaviours and what they need to keep them happy, safe and loved.

Remembrance

Thank you to everyone who was involved in our Community Remembrance Service this morning. It was a beautiful and moving occasion, led absolutely brilliantly by the young people of Year 6. I'm sure everyone who was there would agree that they did us, and all the people and families we were remembering and honouring, proud.

Year of Mercy

Next week, the children from all year groups, will be taking part in a pilgrimage for the end of the Year of Mercy. Our liturgy, lead by year 5, on Thursday, will also be a special celebration of the closing of the Year of Mercy. All classes will be helping in this celebration with prayers, songs and sharing promises. The children will also be given a special bookmark. Look out for them in their bags!

The Chaplaincy team have been busy this week. On Monday, they went to St Maries Cathedral with Mrs Asquith to see the special Holy Door, and the Y5 Chaplaincy team took part in a special Year of Mercy Mass at the Cathedral this morning.

Statement to Live By

Next week we will be continuing to focus on the statement to live by: **"I know that rights match responsibilities"**.

Time to talk: What is a right? What is a responsibility? What three key rights do you have in school and at home? What other rights do you have? Who is responsible for defending your rights? Who can you speak to if you are worried about something or someone? What can you do to show that you are being responsible for others? Why is important that St John Fisher is a school where children are responsible for looking after each other?

I hope you have a great weekend.

Best wishes,
Mr Barratt
