Community Service of Remembrance

Last Monday afternoon the parish and school communities came together for a special act of remembrance to mark Armistice Day. The service was led superbly by the young people of Year 6. I would like to thank the Y6 children and Mr Smith for preparing them and for playing 'The Last Post' so movingly. The children behaved brilliantly and our Year 4 and 5 children were perfect role-models for their younger buddies. I felt very proud of them all. My hope was for the service to be prayerful and dignified and it surpassed all my expectations. I would like to thank Mrs Dewsnap's son, Lewis for joining us along with so many parents, carers and friends of the school. As they left, many parents commented on how much they had appreciated the service and how well they thought the children had behaved.

School Dinners: Increased Charge

The cost of school will have to increase when we return after the Christmas holiday from £1.90 to £2 per day. This is because Catering Department at All Saints Catholic High School – which prepares our meals – have had to put the price up. This means that the cost per child per week is now £10.

If you feel that you might be entitled to free school meals and would like some more information please contact us as soon as possible and we will advise you in confidence about what you should do.

The new menus for next term will be available next week. As all options meet government nutritional standards I urge you to discuss them carefully with your children so that they are happy with the choices made. Children really do need a good meal at lunchtime and it is difficult when they end up with a choice they are unhappy with. Thank you.

Revised End of Day Arrangements for FS2, Year 1 and Year 2

Plans are in hand to lay a proper path to link the playground and the FS2 classroom (Reception) as the current path, designed and laid by the Probation Service and their 'Community Payback' workers has not worked. We are hoping to make a start on the new path after we become an academy on 1st December. In the meantime we have revised the routine at the end of the school day.

We would be grateful if all adults collecting children could now wait on the playground. This will minimise congestion in the small KS1 outdoor learning area and the path linking it to the main playground.

From next week:

- **FS2 children** will be brought down to the playground at *earlier* at 3.15pm to limit congestion
- **Y1 children** will be brought down the path to the playground
- **Y2 children** will continue to use the library exit

Obviously when the new path is finished we will review the end of day arrangements again, but if you can support us with these arrangements in the meantime, my colleagues and I would be very grateful.

We understand though that there will be times when parents/carers need to speak to a member of staff. However, I would ask you to be patient and wait until my FS2, Y1 and Y2 colleagues have made sure that every child in their respective class has either been collected by the right person or gone to the after-school club before speaking to them. At 'home time' staff need to be particularly vigilant and focused and I am sure that you will appreciate that this is difficult if a parent/carer is trying to speak to them at the same time. Thank you for your understanding.

Visit of Bishop John

I am delighted to inform you that Bishop John will be visiting our school on Monday 16th December to officially open and bless our library and new administration wing. He will meet the children, members of staff and PTFA who have been so instrumental in helping us to redevelop the library. I also very much want to find time for parents and carers to meet the Bishop. More details of the arrangements will follow when they have been finalised, but I would be grateful if as many parents, carers and friends of the school could be present for this special event which signifies a stage of the great journey we are on and how far we have come in such a short time.

2013 Nativity Play

A reminder that this year the nativity play for children in FS2 and Years 1 and 2 will take place at **2.15pm** on **Tuesday 10th December** and **Wednesday 11th December**.

Children in Need 2013: 'SJF Spotty Day'

Today the children (and staff) looked resplendent in their spots and Pudsey gear as the community marked Children in Need day. Thanks to everyone who donated cakes and thanks to the PTFA for selling them!

Days like this, our support for Mission together and events like the Community Service of Remembrance are part of our wider mission to make our children aware, in an appropriate way, of the world around them and the lives others live – especially those who are less fortunate than themselves.

Weekly Liturgy of the Word

I would like to thank Miss Kieran, Mrs Evans and the boys and girls of Year 4 for leading this week's Liturgy of the Word. Unfortunately I was at a Sheffield Headteachers' conference, but Ms Farrow informed me that it was really good. Thank you to everyone who came to support the children. On Thursday 21st November our Liturgy of the Word will be led by the children of Year 3. The family and friends of our Year 3 children are welcome and it will begin at 9.00am.
