Timetable News

Thank you to those of you have completed the questionnaire so far, it is lovely to hear your views about our remote learning provision. We have been working hard to put together a broad time table to help support your home learning whilst still allowing enough flexibility to fit in with home. It does ensure that lunch times are the same for all children

so that as a family you can have time to eat together.

Please see

the website for a copy of the timetable or the children can access it via TEAMS.
