Good News We're welcoming everyone back into school on March 8th!!!

Dear Everyone,

As you are likely aware, the government has announced that schools will reopen to all pupils on **8 March**. We're very much looking forward to welcoming back more of our pupils to face-to-face education then. We will be sending out the new guidance to you early next week.

Whilst from 8th March, school attendance will be mandatory and our usual rules on attendance will apply, your child should still self-isolate and not come to school if they:

- Have coronavirus symptoms or have tested positive
- Live with someone who has symptoms or have tested positive
- Are a close contact of someone who has tested positive

So until then it is really important to keep up the amazing home learning your teachers are still planning and delivering for you everyday.

Coming back into school and getting in to a new routine can be bit difficult and for a small amount of children raise anxiety. Follow some of these simple steps to be school ready for 8th.

Step 1: Start to get the bedtime routine back into shape.
Children age 3-5 yrs need on average 10-13 hours per 24 hour period
Children aged 6-12yrs need 9-12 hours per 24 hour period

Step 2 : Begin to get everybody up a little earlier in the morning

Step 3: Check or find your school uniform

Step 4: Check that you have suitable PE clothes (non branded) for PE days

Step 5: Get moving a little more

Step 6: Make sure you know where your water bottle is

Step 7: Try to have a chat with your friends

Step 8: Don't worry, school will be just like it was when you came in September

Step 9 : Just have a quick look through the booklet so you can remember what we used to do

Remember everyone has been doing things differently whilst they have been learning at home. Diets, sleep patterns and the amount we've been able to exercise had to change. Simple things like cutting down on sugary snacks and drinking a bit more water each day can help give your children more energy and help them to concentrate throughout the school day.

Whilst working with you all on TEAMS has been good, all the staff here are so excited to see you all in just over a weeks time.

Keep an eye out for more information coming next week!
