14th May 2021

Dear Everyone,

We would like to wish our families Eid Mubarak and we hope you have had a lovely time celebrating Eid.

As a staff team it ceases to amaze us how the heavy rain showers know exactly when it's play and lunchtime and as parents I'm sure you feel the same about the end of the day. However despite the challenging weather gardening club are still going a storm getting a whole range of vegetables and plants planted. Many thanks to those of you who have donated and the landscape firm, FB and Sons Lawns and Landscapes for their kind donations.

Morrisons have also kindly donated dwarf sunflowers, soil and plant pots and a story book for each class.

Our after school sports clubs are still going strong, cricket still remains my personal favourite as I hope to play my first match of the season next week if the rain holds out! Look out for letters about new clubs coming out in the next couple of weeks.

Have a great weekend,
D Holland, Head of School

Road Map 3—Changes to COVID 19 guidance from 17th May

Although changes are happening around the country in line with government guidance, the guidance for schools and the risk of Coronavirus remains the same therefore in order to keep everyone as safe as possible we will continue to:

- Stagger the start and end to the school day
- Only allow parents to visit school with an appointment
- Have only one person in the office reception area
- Ask adults to wear face coverings on playground (unless exempt)
- Ask staff and authorised visitors to wear face coverings in our communal areas
- Only pre-arranged authorised visitors with a negative test allowed on site
- Keep our class bubbles
- Keep our lunchtime arrangements the same

Arbor

As Arbor will be our primary source of communication, it is very important that all parents and carers register for the portal. As of today only 36% of accounts have been activated. If you need any assistance, please contact the school office
