Excelsior
Multi Academy Trust
2nd July 2021

Dear Everyone,

It's certainly been a colourful week here at Turves Green Primary School. With a variety of wonderful arts activities going on throughout school, the children have created some excellent masterpieces! We are pleased to share some of them with you in our mini gallery below.

We also had an unexpected visitor this week, a beautiful Peahen which caused much excitement amongst the children, especially in Year 2 as she was particularly fond on their outdoor area. After many adventures in the local area over the past few weeks, we are pleased to have been able to support in her rescue.

Regrettably, we had to close a class group bubble yesterday. This is a reminder that Coronavirus rates are on the increase again and we ask everyone to be mindful of this and please wear a mask and keep a safe distance when visiting the school playground.

Have a lovely weekend!

Important Notes

Water Bottles

Please make sure that your child brings their school water bottle with them to school every day

Hot Weather

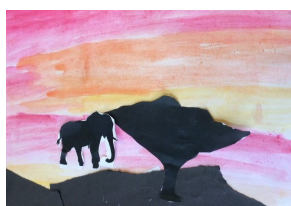

Please remember to apply sunscreen to your child before sending them to school and provide a sunhat in really warm weather.

Parental Engagement

Thank you to all of those who have now signed up to the Arbor Portal. It is disappointing to see that 33% of parents are yet to sign up. It is essential that everyone signs up to the portal as this is the way that we will be issuing communication and will also be used to obtain consent for trips etc in the upcoming academic year.

Turves Green Primary School Art Gallery

NSPCC

Speak out. Stay safe.

This week the children have taken part in NSPCC online assemblies about keeping themselves and each other safe. If you are interested in learning more about this please visit the NSPCC website: www.learning.nspcc.org.uk/

internet matters.org

As children are accessing technology more and more, it is really important to make sure that they are safe and are only able to see the things that are appropriate for them online. Internet Matters support families by providing expert support and practical tips to help children to benefit from internet connected technology and the internet safely and smartly. Please click the link provided in the useful links section of our website for further information.
