Dear Everyone,

What a sad end to the week. It was devastating to have to close our Reception Bubble and a Year 6 Bubble. For both groups the end of school is an exciting time. For our reception children they will be back to join us in September but for our Year 6 children this is such a difficult way to end their primary school years.

I know you will join me in wishing all our year 6 children all the very best in their new adventures at Secondary School. They have been an amazing group of children who will go on to achieve great things and we look forward to hearing all about them.

We will also say a sad goodbye to Miss Harris, Mr Dalley, Mrs Pemberton and Mrs Bennett next week. Thank you to them all for all their hard work through another challenging year.

We are excited to be welcoming back Mrs Harker-Daniels in September in her new role as Deputy Head Teacher. I know she is really looking forward to working with all the staff and children here at Turves Green.

We made the news this week!! Letters written by some of our fabulous Year 5 children were shared on Central News after they had written in support of the England team. We are so proud our 'No Outsiders' ethos was shared so widely.

On Monday you will receive a new booklet outlining the arrangements for September, please ensure you read this and keep it safe for future reference.

This school year has been another challenging one but the resilience and eagerness to learn whether at home or at school has been amazing. I would like to take the opportunity to thank all our families for their support, even when it's been tough, thank you to the children who definitely make it all worthwhile but also a massive thank you to all the staff in school to keep going to ensure the children experience such amazing things (often juggling their own families).

Have a very Happy and safe summer all.

Sunflower Competition

Our school council have been holding a sunflower growing competition in school with seeds donated from Morrisons in Rubery.

Our most green fingered house has been Farah and Rowling with three of the tallest sunflowers in school.

We had two classes whose sunflowers got frazzled by the hot sun one weekend and so didn't grow.

Our tallest sunflowers were grown in 2M where their tallest sunflower was 60cm tall.

School lunches

Our school council surveyed the children this week about the food they like in the dining room at lunchtimes.

It is no surprise that the favourite meal is Friday's pizza and ice-cream. Coming a close second was curry and the old favourite chocolate concrete!

We also asked children about their ideas for what else could go on the menu and we had a real variety of responses from the timeless apple pie to more exotic items like Mexican quesadillas, stir fry and noodles, and fruit smoothies. We even had a request for a well done steak!

Our school council also had the opportunity to taste some new vegetarian food on offer from September and give their feedback to the kitchen staff. There were some really delicious things on offer!

Check out the new menus coming home with the reports!
