Excelsior
Multi Academy Trust
10th September 2021

Dear Everyone,

It has been so lovely to have all the children back in school and to be back to a much more 'normal' school timetable and environment. Well done to all the children as they have all settled in to their new routines really well.

With the easing of measures and the return to a sense of normality we are pleased that we are able to resume our after school sports clubs. We have had a huge number of requests for places, so please don't be disheartened if your child has not been able to participate in a club this half term. We will ensure that every child that wants to participate in a club can do so throughout the course of the academic year.

We have had a few queries about self isolation this week. There is a poster on our school website, but just to confirm, the current Government guidance is that your child no longer needs to isolate if they have been identified as a close contact and they should attend school as normal. You should arrange a PCR test. If your child is displaying COVID symptoms, you are requested to arrange a PCR test for the all household members and you should all isolate until a negative test is returned.

Thank you to everyone who has shown an interest in our vacancies. The cleaner and lunchtime supervisor vacancy information has now been uploaded to our school website. As soon as the information for the play worker role has been received from the Excelsior HR Department, we will also add this to the website under our vacancies tab for you.

Just a polite reminder to please check the website and newsletters for information prior to calling the school office. Whilst we love talking to you, this is a very busy time for office staff, who are receiving a large number of calls about things that we have already provided information about.

Arbor

Currently only 72% of parents and carers are currently signed up to Arbor. This means that 106 of our children's portals aren't being accessed by their parents or guardians. It's really important that you sign up to stay informed on events happening in school and be able to book future clubs and trips.

It's easy to sign up. If you need any help, please pop into the office and we will be happy to help.

Free Gardening Equipment for School

Morrisons are offering Grow Tokens for gardening equipment for our school. All you need to do is download the MyMorrisons app

and click on the Its Good to Grow section, select Turves Green and then donate your tokens. When the collection periods ends we will be able to get new equipment, maybe a minigreen house or a wheelbarrow!

Important Notes

Dates for your Diary

Wednesday 6th October - Nasal Flu Vaccinations

25th - 29th October - School closed for half term

Monday 1st November - School closed for Teacher Training

Friday 5th November - School Photo Day
