8th October 2021

Dear Everyone,

Thank you to everyone who brings their children to school each day and on time. It is lovely to walk around school at the beginning of the day and see so many children already learning. It is so important that the children get to make the most of every minute that school is open to them.

Birmingham City Council admissions portals for next years primary school reception intake and year 7 secondary school intake are now open. If you haven't received any details, you can call Birmingham City Council admissions direct on 0121 303 1888. Please see details below regarding our reception open day.

If you are finding things tough, please come in and talk to me. I will do my best to signpost you in the right direction. Alternatively, you can search Northfield Community Partnership, who are able to offer a variety of support to families such as food parcels, benefit support and many other things.

I hope you are all able to do something you enjoy this weekend.

Best Wishes,

Lyn Belcher

Do you know a child that is due to start primary school in September 2022? Please let their parents/carers know about our open day on Wednesday 20th October. We have a number of time slots available for them to come and visit. They just need to call the school office to book a place.

Parking

We appreciate that Turves Green is a very busy road and it may sometimes be difficult to park. In an attempt to assist with this we do allow children to be brought into school between 8:40am and 8:50am (please note that school does start at 8:50am so any children arriving after this time will be marked as arriving late for school). The parking restrictions and the staff on hand to assist with these, are in place for the safety and protection of everyone including your own children. We do ask parents and carers to be mindful where parking when dropping off and collecting your children.
