12th November 2021

Dear Everyone,

What a fabulous Flexi –Friday today has been. It has a maths theme running through it but wow maths is definitely everywhere and all around us.

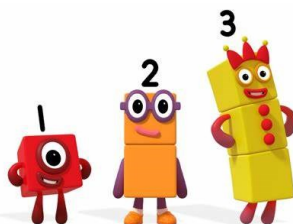

Our youngest children have been engaged in a wonderful number blocks day, did you see which member of staff was which number block?

Year 1 have been investigating numbers all around. **Year 2** have been having a great time doing all things Tudor in the hall with some super maths thinking around building Tudor houses. **Year 3** have been making Egyptian masks. **Year 4** have been looking for maths everywhere in art, in buildings, just everywhere. **Year 5** have been very technically minded building a CAMS toy. **Year 6** have displayed their maths skills in propaganda posters and by building Anderson shelters.

All in all a fabulous end to the week where all the activities have shown us that we use maths in everything even when we don't realise.

I challenge you to count how many times you use your maths skills over the weekend? Let your teachers know on Monday.

Have a lovely weekend.

Important Notes

Dates for your Diary

19th November - Children in Need. Children can wear bright and cheerful clothing to school.

24th & 25th November - Parents Consultation Evening

2nd December - Dr Bike will be at school to do safety checks and basic repairs to children's bikes free of charge.

17th December - School closes for festive break at 3:10pm.

PE days have been added to the calendar on the school website

Dr Bike will be holding a bike surgery carrying out free safety checks and basic repairs here at Turves Green Primary School on Thursday 2nd December. If you would like your child's bike to be checked, please bring the bike to the bike shelter on the school playground in the morning and collect it from there at the end of the day.

Children in Need

This year's Children in Need theme is based on the importance of children's mental wellbeing.

We are inviting children to wear something bright and cheerful to school on Friday 19th November for a donation to Children in

Need. This year, we have set up a JustGiving page, to give you the option to donate online should you wish to do so (please see the link on our website). We are also happy to collect cash donations.

On Thursday at 11am the school all paused our learning to remember those affected by war, now and in the past. In one of our class assemblies this week we spent time thinking about why we do this at this time of year. We also thought about Article 38 which says that governments should not allow children to take part in wars and that they must take care of children affected by war.
