7th January 2021

Dear Everyone,

Welcome back and a very Happy New Year to you all!

We hope that you managed to have a break and switch off, enjoying some family time over the 2 week break.

The children are already well settled and excited to be doing their learning. Just a couple of reminders: children must have a water bottle in school, any hair longer than shoulder length needs to be tied back and arriving for the start of the school day is really crucial as a full timetable means that even a few minutes equates to loss of learning. Black sensible school shoes should be also worn. Unfortunately, we are not in a position to give out sweets or treats for celebrations.

As with everyone at the moment we are seeing a rising number of children and staff testing positive for Covid 19. We really rely on your support in helping us reduce the risk of spread amongst the school community so that we can keep school fully open and the children in and learning. I appreciate that the isolation and testing rules have changed again so we have added the below flow chart graphic to the school website to support with this. Please note that children only need to isolate if they test positive for COVID or are awaiting a Lateral Flow Test due to displaying symptoms.

If your child is feeling unwell, quite often with cold like symptoms, and you are able please could you complete a Lateral Flow Test and inform us of the result. If you are unsure about whether your child should attend school please call the school office.

We are really looking forward to this Spring Term and offering the children some fabulous opportunities with their learning. We are ever hopeful that we can get back to offering opportunities for you to come into school to see, be part and celebrate your child's learning with us!

Here's to a fabulous and a much healthier 2022.

D Holland, Head of School

Spring is coming!
