

Turves Green Primary School Newsletter

Dear Everyone,

Thank you for your support again throughout this term. It has been great to have the opportunity to be able to invite you all in to school again to see some of the amazing teaching and learning during our parent consultation evening and workshops.

Today, we say a sad farewell to Mrs Rowlands who has been with us for the last five years. When asked to describe her role Mrs Rowlands would always say she that she was the 'happy and safe person'. I know there are lots of families and children who would like to join us in thanking her and to wish her lots of luck for her new adventures. These were a few of the ways some of the children will remember her:

M is for the best minibus driver ever!

R is for ready, respectful, safe. Our school values that you help us keep.

S is for sharing. You have helped us share with our community, food for the foodbanks. You have helped us share kindness when we have supported different charities

R is for Rights Respecting. You have helped us to become a silver school; we will aim to be gold and think of you.

O is for oranges, bananas, apples. Where would we be without you sorting our fruit. Thank you.

W is for wellbeing. You listen to us, ask us how we are and help us sort out our problems.

L is for being level headed and calm in challenging situations

A is for afterschool clubs, you have organised so many different opportunities for us to take part in.

N is for new ideas. You have helped the school council and the Eco Warriors think of new ways to look after our school and make it better.

D is for the deep end. Thanks for taking us swimming

S is for so long, farewell. Thank you for everything you have done for us all at TGPS. We wish you all the very best. Stay in touch!

Have a great Easter break and we look forward to seeing you all when we return to school on Monday 25th April.

Turves Green Primary School

This Weeks Eco Tip

Don't forget to take a shopping bag when you are out and about! Plastic shopping bags in the world's rivers and oceans harm sea life. A simple act like taking a bag with you when you shop will help reduce the number of bags causing pollution.

Thank you!

I have had a rollercoaster of a day today with many great moments - treasured memories and children's hugs. I am sad to be leaving such a fabulous community. I have been proud to be part of the Turves Green Team and I shall certainly stay in touch.

Mrs Rowlands
